 and how many on the whole are
 required for 32 students. Further
 whether this large number of
 students is going to be permanent
 is not mentioned - It is not
 therefore possible to judge
 whether the proposed Exp^r is
 really necessary & whether the benefits
 of a permanent nature for which
 a makeshift arrangement will not
 be sufficient

SIR,

I have the honour to inform you that with the increase from
.15 to 32 in the strength of the senior class of the Engineering School,
Mysore, the need for two more theodolites is very keenly felt. I re-
quest you therefore to be good enough to obtain the sanction of Gov-
ernment for their purchase at a cost of Rs.600 each, the necessary
amount being met out of the savings of about Rs.3,000 available under
scholarships provided for the school.

I have the honour to be,

SIR,

With reference to your letter No.4148/Edn.12-14-193 dated the 17th instant calling for certain information in connection with the purchase of two more theodolites required for the Mysore Engineering School, I have the honour to inform you that there are at present three theodolites in the school, which were considered sufficient when the strength of the Senior class varied from 15 to 20. Now that the strength has risen to 32, two more instruments are necessary. The increase in the number of students is likely to be permanent, as there is a large demand for trained sub-overseers in the Public Works Department.

I have the honour to be,

Sir,

Your most obedient servant,
